We are pleased to present our catalogue of lighting made in our factory in Zhongshan, China.

Over the past 2 years we have taken over the running of the factory and we have now acquired sole ownership under Chinese law.

We can now offer to you our enclosed lighting range at competitive prices and quantities.

The benefits in buying from us are:

Established designs, finishes and quality.

Full QC reports, (Midline and Final).

Ex factory prices.

Certification appropriate to your country.

Order controlled and supervised from our UK office.

The process is simple

Select your items.

Receive a quote.

Place your order and pay a deposit of 30%.

Receive production start date and also proposed shipping date.

Receive Midline and Final inspection report and test certificates, (if required).

Shipment booked and final balance paid.

Measuring our Lamps.

For all lamps complete with shades you should follow this example:

Heights: 45cm
(measured from the bottom of the lamp to the top of the shade)
Width: 29.2cm
(widest point of lamp and shade)
Depth: 17.8cm
(deepest point of lamp and shade)

LAMPS WITH NO SHADES

For all lamps without shades you should follow this example:

Height: 38cm
(measured from the bottom of the lamp to the top of the lamp holder)
Width: 13.2cm
(the widest point of the lamp)
Depth: 8.8cm
(the deepest point of the lamp)

SAFETY NOTICE

LIGHTING

Please carry all our table lamps by the base and not the lamp-holder neck.

Please ensure you carry all our lighting carefully and not via fragile components.

We do have some heavy lamps, which may require 2 people to carry and position.

For all our lighting with crystals and glass, please do not place where they may be subject to direct sunlight.

For dimmable lighting. If using LED, they need to be a specific LED bulb to be dimmable.

CHANDELIERS, PENDANTS AND WALL LAMPS

Please ensure that the fittings you use to hang the chandeliers, pendants and wall lamps are suitable to hold a load double the weight of the item. Please also ensure that the ceiling/surface/wall you plan to hang the item from is suitable to hold a load which is at least double the weight of the item

IF EVER YOU ARE UNSURE PLEASE SEEK THE ADVISE OF A PROFESSIONAL.
